## Another Election to Decide Tie in Supervisorial Contest

### JUDGE SEAWELL RULES OFFICIALLY THAT RESULT IS TIE BETWEEN J. H. WEISE AND WM. EVART

Excitement has been running high all over the First Supervisoral District ever since the recount in the Weise-Evart contest started before Judge Seawell, Tuesday. The counting of the votes to determine the correctness of Mr. Weise's reelection by a majority of five has resulted in a nip and tuck fight with first one and then the other in the lead and both candidates on the anxious seat. The excitement reached its climax yesterday when it was announced that the result was a tie and the Judge intimated that there were possibilities of the ballots having been shuffled after inspection by the Court, as a subsequent order which brought them back for official re-perusal of Elmore precinct revealed some irregularities.

County Clerk Felt and other witnesses proved the utter impossibility of the ballots having been tampered with in any way but to get at the real facts of the result Judge Seawell announced his determination to grant another recount of the ballots in Elmore precinct, and once more, under the objection of Attorney Hall, who protested against any recount of the ballots on the part of Mr. Evart, the recount was started. The recount showed that Evart had received 101 votes and Mr. Weise71. On Tuesday, when the ballots were first counted in the precinct Evart had been shown to have received 103 votes and Weise 69.

Then East Glen Ellen precinct ballots were counted, and in this precinct another discrepancy was discovered in the count made in the court on Tuesday. Weise lost one vote and Evart gained one; and thus the vote was a tie between the two men.

It was then decided to proceed with the recount of every precinct in the district and with the tie vote standing the re-recount began yesterday morning before a court room where feverish excitement held sway as the count progressed. Mr. Weise was represented by attorneys Cowan and Early. Mr. Evart was represented by attorney Gil P. Hall and Judge Seawell interrogated for county and state.

At 5:30 last night and Vineburg still to be counted, the result was still a tie.

At the finish of the entire count Judge Seawell officially announced the result as a tie and that another election would be neccessary.

The Supervisors meet on the 29th of this month and at that time will probably set the date for the election.

## CLARENCE LEA RESIGNS

**Clarence F. Lea who is to represent this Congressional district at Washington resigned yesterday the office of District Attorney, which he has filled with such honor for several years, and Geo. W. Hoyle was appointed to succeed him.**

**Congressman Lea goes to his new post with the best wishes of a host of friends regardless of party.**

**Mr. Hoyle, the new district attorney is an able man and a splendid prosecutor. J. W. Ford will continue as his assistant.**

Mrs. Bacigalupi was up last Sunday on a visit to her daughter, Mrs. S. Canobbio, wife of the trustee of Flowery school.

## HEAVENS SMILED ON FESTIVAL AT ST. FRANCIS CHURCH

A beautiful day, perfect in sunshine and balmy as Spring shone down upon the beautiful processional which formed after Mass Sunday morning at St. Francis Church to celebrate the Feast of the Immaculate Conception. About 150 children participated beside their elders, Father Moran and the Sisters of the Presentation Convent.

Through the Convent grounds their voices chanting the Holy Rosary and carrying banners, the processional wended its way pausing at the shrine of the Holy Mother for devotion and then reentering the Church where there was Benediction. It was a most impressive ceremony and beautifully carried out.

## FAIR GIRL IS BRIDE.

### Miss Margaret Livernash Weds James L. Modini Tuesday at St. Francis Church

Miss Margaret Livernash and James L. Modini surprised their many friends by having an early morning wedding Tuesday in St. Francis church instead of on Thursday as scheduled. The heralded shower of rice and old shoes was forestalled by the change in the plan but a shower of best wishes and congratulations went with the happy young couple when the news that they had left on their honeymoon became generally known.

Accompanied by the immediate members of the families, Mr. Modini and his pretty betrothed drove up to St. Francis church at ten minutes to six while still "the violet woos to its heart the silver dews" and entered the sacred edifice where Rev. T. P. Moran awaited their coming. The altars were ablaze with the blessed candles and adorned with many beautiful flowers. The gate leading to the altar were swung open and within at the altar side the vows uniting the handsome young couple were taken, the beautiful ceremony of the Catholic faith being impressively performed by Father Moran. Miss Adele Livernash and little Miss Koenig, a niece, were the brides attendants. Angelo Beretta, brother-in-law of the groom was best man. After the marriage service, Mass was celebrated.

There was much rejoicing among the little wedding party and the pastor of St. Francis parish at the conclusion of the ceremony and Mr. and Mrs. Modini were heartily felicitated. The bride looked unusually sweet and pretty in her costume of mode trimmed with rich fur and she wore a chic little hat of gold lace.

The wedding party went from the church to the home of Mr. and Mrs. Frank Koenig where dainty breakfast was served, the table being festively decorated with violets and smilax and the dining room rendolent with Christmas boughs and mistletoe. After a merry little repast during which the bride and groom were roundly toasted and every blessing bestowed upon them, they motored to Vineburg where they took the train south. After a honeymoon of ten days at San Diego and other points of interest they will return to reside here in the handsomely furnished home which is awaiting them. Mr. Modini has spared no expense in the furnishings of the cozy cottage and luxurious leather andtapestry chairs with artistic draperies at the windows and rich dining room set will make it an ideal and comfortable home. The wedding presents too which are most elegant will add to the luxuriousness of the furnishings and withal an ideal little wife will preside over this home for Margaret Livernash Modini is an accomplished house keeper as well as a vivacious and talented musician.

At the home coming a royal welcome will be given the bride and groom and an informal reception is being planned.

The bride is the youngest member of the accomplished Livernash family whose literary and musical ability have won them signal honors. The groom is the only son of the late Lorenzo Modini a wealthy and respected pioneer of this valley. He is a successful business man and a young man of sterling character.

May their wedded life be one of the greatest happiness is the wish of the Index-Tribune.

Many years ago before this dainty bride saw the light of day, her brother, Ed Liveruash, was editor and proprietor of this newspaper. It is therefore most fitting and a happy privilege to extend felicitations through these columns to his youngest sister, the attractive Mrs. James L. Modini.

**Two trustees of Cloverdale resigned pending the discussion and outcome of Sunday closing agitation there.**

## DURANT'S AUTO OVER TURNS

### Narrow Escape of Well Known Residents with Other Occupants of Car near Verano Sunday

Mr. and Mrs. Wm. Durant had a narrow escape from death Sunday last when their automobile overturned near Verano. They were accompanied by Miss Dorothy Macfarlane and Carl von Hacht and were returning from Healdsburg where they had taken home Rev. Macfarlane who had occupied the Episcopal pulpit here at the morning service at Trinity church.

On the return trip and when near the cross roads at Verano, Mr. Durant who was going about 20 miles an hour made a sudden turn and the machine swerved so suddenly that it plunged forward and then turned over All the occupants were thrown to the ground but miraculously escaped serious injury. Mrs. Durant was extricated from the wreck with some difficulty and was the worst bruised of any of the party. L. Mouyer, Geo. Engler and Pete Fognini were at the scene of the accident and rendered first aid. The Ford car was only slightly damaged.

Mr. Durant who is a careful driver takes all the blame for the mishap and says it was due entirely to the short turn he made at the cross-roads

## TRUSTEE INSPIRED BY AUTHOR

Has the mantle of Jack London fallen on Trustee C. McDevitt's shoulders? Charley says so and to back it up has a manuscript which he claims he was inspired to write. His theme is like that of John Barleycorn and describes the evil power of drink.

On Thursday Dec. 21st the Ladies Aid of the M. E. Church will be entertained by Mrs. C. Saylor and Mrs. Edwin Johnson in the Church parlors. Everybody invited and bring your friends.

## Santa Claus Will Be Here Next Saturday Night.

### COMMUNITY XMAS TREE TO GLEAM IN PLAZA AND BEAUTIFUL CHRISTMAS CAROLS TO BE SUNG

Oh Joy! Christmas is coming and the community Christmas which Sonoma is to celebrate on the plaza next Saturday night is to be the grandest spectacular affair ever attempted in this county. Everybody is invited, for it is everybody's Christmas and it will make every other Christmas you have ever known look like a sunbeam along side of Aladdins wonderful lamp. The children, every one will be there and what could make a better Christmas than to see the smiling, happy faces and dancing eyes of all the youngsters and to recall the days when you were just as eager, just as joyous for your Christmas and your Santa Claus—that faithful friend of youth's poetic dream of the good old Saint Nicholas.

But to get back to the tree, it is going to be one of the tallest, sparkling lit trees ever beheld in Sonoma and it will glitter and gleam in your memory long after every light has been dimmed and in your ears will linger the voices of the choiresters in the beautiful songs and carols they will sing.

The program will be carried out on a platform under the brilliant Xmas tree and will be preceded by a pageant illustrating the spirit of the Christmas tide. After the formal program there will be distribution of the official candy and a wholesome, happy time for all. The program as outlined at present is as follows:

Musical Director, Will C. Grant of Santa Rosa; Accompanists, Pauli Orchestra.
Cornet Solo
Opening Greeting, The Mayor.
Hark, the Herald Angels Sing, Chorus
Solo, Mrs. Emparan.
Male Quartet.
Carols, Chorus.
Solo, "Noel," Adam,
Mr. Alfred Jansen.
Drill, Knights of King Arthur
Carol, Xmas March, Pupils of Flowery School.
Solo, Mr. W. C. Grant.
Indian Nation Song and Dance, Eleanor Rinsch and other Camp Fire Girls
Chorus, "Nazareth" Gounod.
Carols, Sonoma Grammar School.
(Some songs of the Operetta)

**It is stated on good authority that the extensive work which had been under way at the London ranch before Jack London's untimely death has been checked and that a considerable number of the employees have been let go. London paid generous salaries and hired many men but with his earning power curtailed, it is said Mrs. London feels that she must be cautious in the handling of the big project contemplated by the ambitious agriculturist-author.**

## Future Will Unfold With Coming of Cross-County Highway

The movement launched at Sebastopol last week for the building of a cross-country Highway and the plan to include the Sonoma Valley unit in the comprehensive plan to link the Black Point cut-off with the Russian river and coast resorts of the county has the greatest possibilities of anything yet projected for this section. It means an acknowledgement of the advantages and beauties of our section, for the highway is planned to show the garden spots and natural attractions of our county to the tourist traffic and we are to be the first unit in the scenic route of travel.

Let us lend every possible aid to this magnificient plan. Already we have a portion of the road work completed Santa Rosa way and with the people of that city, Sebastopol, Graton, Forestville, Guerneville and other places pulling for the realization of this splendid project we are certain to find a way to complete the entire link between the State Highway and the beautiful county, still so dormant, but destined to be the mecca of thousands of sight-seers and the means of opening the flood-gates of prosperity to a golden future. The day of considering road expenditure luxurious has long passed and the most unpretentious communities like Antioch and Los Banos can now boast the completion of magnificient streets and highways and are already reaping the harvest which ever follows in the wake of good roads. While Sonoma Valley may sow the seeds of its future later than some of our richer communities, by linking our fortunes with the coast and river sections and opening the modern way of easy accessibility to Sonoma's unrivaled grandeur we can at this time shape a wonderful future for Sonoma County and share in a new era of munificence. Let us pull together for this much-to-be-desired end.

HERE is your future charted for you, based on the actual average earnings of trained and untrained men.

Which way will you go? You'll either go *up*, through *training*, to a position that means good money and more comforts as the years go by, or you'll go *down*, through *lack* of training, into the ranks of the poorly paid.

It rests entirely with you which way you go. You can make or break your own future. And *now* is the time to decide. Not next year, not next month, but *now*. You *can* go up if you want to. You can *get* the training that will command a trained man's salary. The International Correspondence Schools have helped hundreds of thousands of men to qualify for advancement. Let them show *you* how *you* can prepare yourself, in your own home, for the position you want in the work you like best.

At least *find out* what the I. C. S. can do for you, by marking and mailing this coupon. It will be the first step upward. Choose your future from this list, then get this coupon into the mail today.

## GOES ABROAD TO OLD WORLD DOCTORS

G. Pancrazi, the well known proprietor of the Roma Hotel and Auditorium at Glen Ellen, left for the old country last Friday. He goes to his native land, Italy, to consult emminent physicians of the old world in regard to his health which of late has not been the best. Mr. Pancrazi is highly educated in his own language and has great faith in the training and education given in the European universities. He numbers among his acquaintances many eminent scientific men and scholars and has been a contributor to the leading Italian magazines besides publishing several poetic works. His poetry is classic and reflects the spirit of genius. "A Jack London" is one of his poems and in the Italian original reads as follows:

**A Jack London**

Ei novellier fervente e avventuroso,
Io canzoniere ammirator d'Erato;
Ei asceso e giunto a l'auge luminoso,
Io giu travolto da maligno fato.

Ei in elisio roseo e delizioso,
Io in aere greve, fosco e inesorato;
Ei l'idolo dell'urbe dovizioso,
Io da tutti reietto e abbandonato.

A lui conduce Mida un fiume d'oro,
Me annega la miseria in mar d'affanni,
A lui ineggia opulento e sommo coro,

Me cruce schiatta rea con vili inganni
A lui inalza fortuna un tempio eletto,
Io sol gli offro, signor, questo sonetto.

Mrs. H. C. Whiting was a week end visitor in the metropolis.

A. E. Warriner and son the contractors were in San Francisco Saturday last.

## ENDORSES SCENIC ROAD PROJECT

**Sonoma Boosters Unite With County Development Board in Plan to Get Highway Connection**

A delegation of local boosters went up to Santa Rosa Wednesday to join with the Sonoma County Development Association in the formulating of plans to get the cross county highway connection from the Black Point cut-off to the coast. The projected road would route traffic through our own valley to Santa Rosa and from there to Sebastopol and thence through to beautiful redwood and Russian river country embracing the finest scenic travel in Northern California.

The movement grew out of a meeting held in Sebastopol last week when a committee of nine was chosen to go into the road matter and formulate plans of procedure. As a result the meeting this week was called and all interested towns urged to send a delegation which they did.

It was a harmonius gathering and the committee recommended that the road plan be put in the hands of competent engineers who would guarantee a dollar's worth of construction for every dollar spent and would map out a route to the end of getting the most traffic and benefitting the most people.

Mrs. Ingalls of Healdsburg has been a guest at the Koenig home. She came down for the Modini Livernash nuptials.

Mrs. Nick Dowdall has returned from San Francisco where she attended the baptism of her little granddaughter, the pretty baby of Mr. and Mrs. Leslie McKinnon.

## WANT PACKING PLANT HERE

**Sonoma Development Board Would Interest Big Fruit Concerns in Locating Here. Correspondence Received.**

The Sonoma Development Board of which Z. T. Spencer is the live-wire president is already in correspondence with a number of concerns with the object in view of getting a fruit packing plant to locate here. Mr. Spencer states that Suisun supported six firms in this line of business and that Vacaville, despite its distance from main line rail service is also the home of many big packing plants. M. Spencer has written to and received a reply from the Stewart Fruit Company, one of the big corporations, which sounds very encouraging. The Stewart people promise to send a man here later to investigate the situation and take up with our people the matter of establishing a branch here. They state that Sonoma Valley is known favorably to them as a fruit center.

It is also rumored that the Earl Fruit Company through W. J. Clements the orchardist is considering the establishment of a packing plant at Schellville junction.

Mr. Spencer states that he will take up the matter of hauling cost between Sonoma and the S. P. junction at Schellville with Mr. Palmer of the Northwestern Pacific.

The Development Board will seek to have the packers locate at the most advantageous point for shipping facility. The fruit concern would buy green fruit at their local headquarters direct from the growers who would thus do away with the uncertainty of transaction with the middleman.

The famous PARAMOUNT PICTURES will be shown in the Don Theatre on Wednesday and Thursday of each week (this program being shown two days each week,) commencing on Wednesday, Dec. 27th and one change for use on Sunday of each week, commencing Sunday, Dec. 31.

On Wednesday and Thursday, Dec. 27 and 28, the opening program will be Blanche Sweet, one of the most famous and popular paramount stars, in a remarkable, dramatic photo-production, entitled "STOLEN GOODS", from the famous novel and play. Do not fail to see this superb attraction. On Sunday, Dec. 31st,—"THE GIRL OF THE GOLDEN WEST", with an all-star cast. This is one of the most famous of all western plays. During its stage career, under the direction of the famous David Belasco, it was one of the most popular western dramas ever staged. It contains some thrilling, emotional situations that have never been equalled in other attractionsof similar character. As a motion picture it transcends and surpasses its stage accomplishments. On Wednesday and Thursday, Jan. 3 and 4,—MARGUERITE CLARK, the dainty, diminutive and winsome Paramount star, in "THE GOOSE GIRL" one of her most favored creations—a splendid photo-dramatization that you cannot afford to miss.

Very truly yours,

# MESSRS. BATTO AND MAFFEI RETURN HOME.

Among the 5000 dealers who were guests of the Willys-Overland motor company excursion to Toledo, Ohio, were Arthur Batto and Olivio Maffei of this place. The boys returned Wednesday and said:

"Nothing was ever so impressive as our tour of the great plant that turns out Willys-Overland cars.

Our Pullmans all parked in the company yards. There was room enough, for there are seven and three-quarter miles of track within the plant.

Each man got a card containing a picture of Mr. Willys and an autographed message of welcome from him. Next thing we knew we were lined up on the steps of the stunning new administration building getting photograped.

Elevators shot us to the company's own restaurant on the sixth floor. There we had a corking breakfast. At each plate was a copy of the live new Willys Overland house organ "The Starter." It mapped our day's program.

Then started our tour of the plant. Our guides were carefully picked men. They knew the plant from end to end, and the parties were small so that each member of the party could have his questions answered.

Nobody ought to try to sell Willys-Overland product without knowing this plant. You can't grip the immensity of the proposition till you do."

Messrs. Maffei and Batto could not say enough for the high grade work and materials put in to the Overland and they are going to make "some" sales.

# SCHOOL OPERETTA THURSDAY NIGHT.

The free school entertainment, which is to be the closing exercises of the Grammar School Thursday night will no doubt pack the auditorium. Principal Prestwood and his corps of able assistants have prepared a clever operetta "Santa Claus at Home." Some of the musical numbers are "Tis the Night Before Xmas," "Baby Bunting Lullaby," "Eskimo's Song,' "To Valiant Commodore," "The Xmas Pack' and other tuneful solos and choruses.

The lines of the little musical comedy are exceedingly good for instance, "What have you for supper?"

"Snowballs and icicles, Santa dear."
